# Message from the Chairman

Dear all

May I take this opportunity to welcome your team and your players to the East Lancashire Table Tennis League for the coming season 2013-14. In the Handbook you should find all the relevant information to thoroughly enjoy the coming season. The Website continues to develop and improve and you will find lots of up to date and interesting information on the site, including the latest results, league and merit tables. As ever we need to thank Martin Wyatt for all his work on the Website.

## **ETTA Player Registration**

***Please be aware that all players must register with the ETTA and be given an Individual Membership (IM) number for the season before you can play in a ELTTL match. This costs £8 for Seniors and £4 for Juniors and the form is completed online at the ETTA website [www.etta.co.uk](http://www.etta.co.uk) .***

***The Fixtures Secretary will need to be in possession of a players IM number, date of birth and postcode by the start of the season and before a league match is played. This is to meet stricter regulations laid down by the ETTA for all affiliated leagues.***

***Please note if any player participates in a match when they are not registered with the ETTA any points gained will be forfeited and given to the opposition.***

***If you are unclear about this registration contact Mike Turner or Harry Rawcliffe.***

At the time of going to press we will again have 41 teams competing in the League. This gives us three divisions of 10 teams, with the First Division again having 11 teams. This means that they will play 20 matches within a 12 team weekly matrix, having two free weeks during the season as team number 12 does not exist.

This year we are trying a slightly different way of presenting the fixtures. Each team will be allocated a number from 1 to 10 in the Premier, Second and Third Divisions and 1 to 11 in the First Division. These numbers are shown on the Teams, Venues and Secretaries pages. Fixtures are then shown for each week in the Weekly Fixtures pages, with the first number being the home team. For example in the Premier Division W/C 23rd Sept Team 1 (Ramsbottom Town A) are at home to Team 10 (Ward & Stobbart).

Please return all the score cards to the Fixtures Secretary, Mike Turner, within a week of the match being played. You can post these to Mike, put them in the Cash box at the Hyndburn Centre or send him an electronic copy. Neil Hepworth will continue to provide monthly press releases to local papers.

This year we will be trying a new handicap system in an attempt to make the Fred Holden Cup matches even more exciting! Grant Saggars has put a lot of work into this and it should make each game more important to the final outcome. This is explained later in the Handbook. We are also trying a slightly different approach to the **Divisional Handicap Competitions** by playing these all on **Sunday 15th December 2013** at Hyndburn. We have also moved the **Vets and Super Vets Competition to Monday 14th April 2014**, when we will play it on one evening. We hope these changes might attract more people to play. This year the **ELTTL Closed Competition will take place on Sunday 23rd February 2014**. We hope it is as an exciting a day as last year, when the standard of table tennis was very high.

We continue to see young players making great progress under the coaching of Micky Moir and Graham Young, with a number now playing in the Premier League. If you are interested in supporting our representative sides in the Lancashire & Cheshire League matches contact Bryan Edwards for details of

fixtures. This summer has seen a number of re-organisations and renaming of teams but it is good to be able to welcome a totally new team from the Best Centre in Hapton, and I'm sure you will all join me in wishing them every success.

If you need any help over the season please contact your divisional representative or any member of the Committee who will be glad to help. The League Secretary and Development Officer, Harry Rawcliife, is keen to listen to any ideas for getting more people involved in playing table tennis.

Have a good season and enjoy your table tennis.

No more than three postponements per team per season are allowed. Failure to comply with the above rules may result in the guilty teams being fined points, When awarding points in accordance with rule 11a; the points for, should be based on an average over the season; the points against, should be nil. **Please note that no fixture may be postponed without obtaining the agreement of the opposing team at least 24 hours before the commencement of the fixture, unless by mutual agreement in exceptional circumstances i.e. extreme weather conditions but not player illness or non-availability.**

**11b.** A match can be postponed without penalty if a team cannot field three players due to a town team commitment. The opposition secretary must agree to re-arrange the match in accordance with rule 11a above.

**12** Any change of secretary, venue match night address or telephone number shall be notified immediately to the Fixtures Secretary. In addition the opposition team secretary shall be notified as soon as possible.

**13** All secretaries must provide a telephone number where they can be contacted & an email address (email will be the normal way the Fixtures Secretary sends out information & requests information to and from team secretaries). **IMPORTANT:** however you contact each other, say to cancel or postpone games etc, if you use a text or email you must make sure an acknowledgment has been given back to you so you know they have received the cancellation information. Simply sending a text or email and assuming you have cancelled is not acceptable without confirming they have received it).

**14** If a team resigns from the league, all points will be removed and all monies forfeited.

**15** Fees (per season) & entry to the league. All secretaries shall forward to the Fixtures Secretary their entry form indicating the team name, home night and venue, players to be registered, each player's individual ETTA registration number, & simultaneously send the fees due as indicated on the entry form (as agreed at the AGM) to the Treasurer. For teams playing out of the Hyndburn TT Centre places at the centre shall be allocated on a first come first served basis subject to rule 10. All teams playing from the Hyndburn regional table tennis centre will be charged the agreed rate decided at the AGM and stated on the entry form for the season to cover table fees. The team secretary shall be responsible for all charges applicable to his/her team and that rule 10 is adhered to. Fees shall be paid by cheque, payable to "The East Lancashire Table Tennis League". Where cash is paid, a signed receipt must be obtained.

**16** The season shall begin at the AGM held in May prior to the season commencing.

**17** Each team shall register sufficient players to enable it to fulfil the entire league and cup matches without intermission as no team can cancel league or cup matches more than three times in a season.

**18** Teams from all divisions can have up to six players registered at any one time, however Teams from within the lowest division may have up to 10 players registered at any one time if it involves at least 50% junior players and has been subject to approval by the Committee.

**19a** Any points won by an unregistered player(s) will not be counted nor awarded retrospectively. The opposition will be awarded the points as if that player(s) had not been present.

**19b.** All players must be registered with both the ETTA & the league and have paid their membership fee at least four days before taking part in any match, however the Fixtures Secretary will have discretion if you contact him to approve a player to be registered instantly as long as the ETTA individual registration number is given, & any payment due reaches the Treasurer within 14 days of said registration. If payment is not then received in 14 days the player will become classed as unregistered and any points amassed will be scrubbed. Any players requesting to be registered with the league that were not done so in the original league team entry form will be subject to approval by the Fixtures Secretary who may if he/she has any concerns or reservations for any reason present it for subject to approval by the Committee. The Committee may refuse a registration or impose limitations if for any reason they think a registration of a player will affect the spirit of fair competition. Also if as more information needed that was previously unknown comes to light about an additionally registered player that consent had been given for, the Committee have the right to impose at a later date any conditions that were not imposed at the time of registration where it is felt a distortion of fair competition has arisen mid-season. (NOTE: at the entry form stage teams can register any players they choose but the Committee retain the right to judge what standard and division any particular team should then be placed in the interest of good and fair competition). Only in exceptional circumstances will any new registrations be permitted by approval of the Committee after Jan 1st.

**20** During the season any transfers to another team are to be made in writing to the League Secretary for consideration by the General Committee. If approval is given, the player can play for his/her new club four days later, providing that the transfer takes place before January 1st and no previous transfer by that player has taken place during that season. No transfers may take place after Jan 1st at all, apart from when a player plays a 6th game as reserve for a higher team and thus becomes automatically transferred to the higher team as in rule 25 below.

**21** Any player having a handicap of 6 or less must play at least 25% of the remaining league matches otherwise any points won will be discounted. Playing in a doubles game does not qualify as a match.

**22** For any player to qualify for the merit league he/she must have played at least 112 sets for their team.

**23** The Home team shall enter the playing order of its players on the scorecard first, then the away team. The game should then usually be played in the order of the card with discretion to leave doubles till the end unless by **mutual agreement** games are played out of order due to a player being delayed or someone needs to go early etc but this should not be abused.

**24** No player shall be eligible to take part in the semi-final stages of any individual knock-out competition or team handicap unless he/she has played in at least six league matches in the current season and cannot have played for a different team earlier in that season, with the exception of the divisional handicap events, where a minimum of at least two games having been played is only required.

**25** Any team can nominate reserves providing, they are from a lower division and have a lower ranking number than any of the existing permanent registered squad players as known from the latest merit tables published on the league web at the date of the games a reserve is required, (if in doubt ring to check eligibility of reserve with the Fixtures Secretary before playing). A reserve can only play for one team per division up to 5 times in a season and will automatically be transferred permanently to that team after playing 6 matches (and can no longer play from that point for the team the reserve had been originally registered with in the lower division). Players from anywhere in the league can be signed on for a team in a cup match, but they can only play for one team in a season.

**26** All matches shall commence no later than 7:30 PM. One player must be in attendance at 7:30, the second player at 8:15 and the third player no later than 8:45 PM. The opposing side can claim the points of those sets, which could have been played if the opponent had been present. These times are reduced by 15 minutes for games being played at the Hyndburn TT centre. Any disputes regarding points to be claimed through this rule will be subject to the Committee who will have the final say on the matter.

**27** The home team secretary has the sole responsibility to notify the Fixtures Secretary of the result of the match. Secretaries should always endeavour to ensure the scorecard is returned to the box in the Hyndburn centre or posted to the Fixtures Secretary or a scanned copy emailed to the Fixtures Secretary no later than a week after the match was played. Very late and persistently late offenders may have penalty points deducted at the discretion of the Committee.

**28** In the event of two or more teams having the same number of points at the end of the season, their positions shall be re calculated and re adjusted by awarding two points for each match won and by awarding one point for every match ending in a draw. If still the same it will be decided by head to head statistics over the two games verses each other in the season.

**29** Fred Holden Cup matches have priority over the league matches and are counted as due to be played in the weeks set aside in the programme on the regular home night of the home team at the home team's venue, or in the case of the semi-final and Final stages in the same week as scheduled in the programme on a night to be agreed to be played at a neutral venue or at a venue agreed by the two teams involved.

**30** In a group or round robin competition, all members of the group shall compete against each other and shall gain two match points for a win, 1 point for a loss in a played match and 0 points for a loss in an unplayed or unfinished match. The ranking order shall be determined primarily by the number of match

points gained. If two or more members of the same group have gained the same number of match points their relative positions shall be determined only by the results of the matches between them, by considering successively the number of match points, the ratio of wins to losses first in individual matches (for a team event), games and points, as far as is necessary to resolve the order. If at any step in the calculations the positions of one or more members of the group have been determined while the others are still equal, the results of the matches in which those members took part shall be excluded from any further calculations needed to resolve the equalities in accordance with the procedures above. If it is not possible to resolve the relative positions shall be determined by lot. This does not apply to Fred Holden Cup matches

**31** Each division is based normally on having ten teams, each team will play home and away. At the end of the season the top two teams in each division will be promoted. The bottom two in each division will likely be relegated depending on the number of teams dropping out or new teams coming in. If a division has only nine teams then only one would be relegated but two promoted. The Committee may promote more than two teams in some circumstances and has discretion to decide where any newly formed teams should be placed as well as putting more than 10 teams in a division if it deems it necessary. The Committee also have the right as per rule 19b to 'promote' any team whose make up of players through changes or additions to previous seasons, in the Committee's opinion has changed their standard sufficiently to be too good for their original division. (It will not be normal practice to demote teams who due to team personnel changes have become weaker, unless they had been automatically demoted, or at the start of a season were requesting to drop a division which would be subject to the discretion of the Committee).

**32** In the event that a situation arises that is not covered by the rules, the Committee has the authority to make a decision which is final. This does not constitute a precedence but may become a rule at the next AGM if considered appropriate.

#### GENERAL INFORMATION (NOT RULE CHANGES)

For casual play, practicing or coaching the session charge is £3 per player. For league matches the charge shall be £10.00 per table per home match at Hyndburn Table Tennis Centre.

# Calculating Handicaps using player's rank

In an attempt to produce handicaps from actual player performances rather than from what players think they should be, a ranking system was created which was linked to our handicap system, this has been in use over the past seven seasons. To set up the system each point on the handicap chart was deemed to be equal to 35 racking points. A handicap of 0 is equal to 2600 ranking points so a handicap of 70 will be equal to 150 points. A full list is shown below.

Hd	Rank	Hd	Rank	Hd	Rank	Hd	Rank	Hd	Rank	Hd	Rank	Hd	Rank
0	2600												
1	2565	11	2215	21	1865	31	1515	41	1165	51	815	61	465
2	2530	12	2180	22	1830	32	1480	42	1130	52	780	62	430
3	2495	13	2145	23	1795	33	1445	43	1095	53	745	63	395
4	2460	14	2110	24	1760	34	1410	44	1060	54	710	64	360
5	2425	15	2075	25	1725	35	1375	45	1025	55	675	65	325
6	2390	16	2040	26	1690	36	1340	46	990	56	640	66	290
7	2355	17	2005	27	1655	37	1305	47	955	57	605	67	255
8	2320	18	1970	28	1620	38	1270	48	920	58	570	68	220
9	2285	19	1935	29	1585	39	1235	49	885	59	535	69	185
10	2250	20	1900	30	1550	40	1200	50	850	60	500	70	150

The results from every match played are used to constantly update players ranking values, so a player who is currently on a roll would be gaining more ranking points resulting in his handicap going down, the opposite would occur for a player going through a bad patch, their ranking total will drop and their handicap would go up. Handicaps are updated before the start of the divisional handicaps, before the start of the preliminary cup round, before the closed competitions and before every further cup round including the final. The Handicap Officer has the authority to review a player's rank subject to Committee approval. The chart for awarding and deducting ranking points is shown below, this was copied from the ETTA

29 - 34	13
35 - 41	14
42 - 49	15
50+	16

1. All games are played up to 21 points.
2. The difference of handicap of both players when checked in the handicap table will give the start.  
E.g. Tony Blair on 19 plays David Cameron on 71. So  $71 - 19 = 52$ , a difference of 52 when checked on the chart at the top of this page gives a start of 16, so Tony Blair starts on 0, David Cameron starts on 16 in each game.
3. The player with the highest handicap has the choice to serve first.
4. At least one player MUST start from love (0).
5. The maximum start allowed for any player is 16 points.
6. For calculating handicaps for doubles matches, add together the handicap numbers for the doubles team and divide by two, round up to the next whole number. Do the same for the opposing team and use the table above to calculate the start. For example: Nick Clegg (0) and Gordon Brown (30) making up one team would have a handicap total of 30, divide by 2 = 15. If they played David Cameron (19) and Margaret Thatcher (56) with a total of 75, divided by 2 = 37.5, which rounds up to 38. This means that Clegg and Brown would give Cameron and Thatcher  $38 - 15 = 23$ , a difference of 23 gives a start of 11.

# New handicap system for Fred Holden Cup

## 2013/2014

1. Each player's handicap rate as issued by the Handicap Officer prior to each round of the Cup is inserted onto the scorecard and the total of all three players is used as the team handicap which is their starting score.
2. Each match between individual players consists of 4 sets played up to 11. Remember **4 sets have to be played** for each individual match. The score for each set is added to the team score and a cumulative total is kept.
3. Every single point in each set counts towards the team's total score so the more points won the better.
4. First player to reach 11 wins that set, no need for 2 clear points to win it.
5. After everyone has played each other the cumulative total for each team determines who has won the match. The highest cumulative team total wins the match.
6. As usual, amended handicap rates for each player will be issued before each round of the Fred Holden Cup.
7. You will notice that the Fred Holden handicap rates for the players are exactly double the standard handicap rate.

**Example** (based on 2012/2013 teams) of how to fill in the new handicap scorecards for the Fred Holden Cup handicap matches:-

You will notice in this example that KSB F just win this match by 3 points.
